Biane appoints new Crest Forest Municipal Advisory Council member

SAN BERNARDINO – A church pastor and fire department chaplain was appointed to be the newest member of the Crest Forest Municipal Advisory Council (MAC) on Tuesday.

Board of Supervisors Chairman Paul Biane nominated William J. Tell of Crestline to serve on the MAC, and the entire Board of Supervisors approved the appointment unanimously on Tuesday. Biane represents the Crestline Communities as the county's Second District Supervisor.

"William Tell has shown his commitment to the Crestline Communities through his work with the Crestline Chamber of Commerce, the Crest Forest Fire Protection District, the Sheriff's Citizen Advisory Board and his involvement in other community issues," Biane said. "He will make a great new addition to the Council."

Tell is pastor of New Wine Christian Fellowship in Crestline. He currently serves as the Chaplain for the Crest Forest Fire Protection District. He will fill a vacancy on the MAC created when Chet Muller moved from the community.

Pastor Tell has stated that he applied for a position on the MAC because, "Communication between the community and its government is of utmost importance. I believe that this is an opportunity to facilitate that process."

The Crest Forest Municipal Advisory Council provides the Board of Supervisors with information about community concerns and comments on future plans. The Council meets the fourth Thursday of every month except in November and December. To confirm MAC meeting times and locations, residents can call (909) 387-1751
